Dear Parents,

Summer is a wonderful time for children to relax, explore new interests, and spend quality time with family. We encourage you to help your child balance leisure with learning during the holidays. Here are a few suggestions to make the most of the break:

- \* Encourage reading a variety of books to develop a lifelong love for learning.
- \* Engage your child in creative activities like art, music, dance, and storytelling.
- \* Involve them in simple household tasks to build responsibility and independence.
- \* Plan outdoor and indoor activities and physical exercises to keep them active and healthy.
- \* Limit screen time and promote meaningful family interactions.
- \* Foster curiosity by visiting places of interest like museums and parks.

We wish all our students and families a joyful, safe, and refreshing summer vacation!  
We look forward to welcoming our young learners back with renewed energy and excitement.

Happy Holidays!
