*“Parents are the ultimate role models for children.”*

Under the able guidance of our Principal, Dr. Ritu P. Solomon, an Orientation Programme was organized for the parents of the class XII students of Queen Mary's School, Tis Hazari. The aim was to familiarize the parents **“As partners in progress”** with the curriculum, rules and regulations and code of conduct.

The programme commenced with a warm welcome to the parents followed by prayer and hymn singing. Mrs. Ritu Ghai started with the introductory speech. Two workshops were organized for the parents of Class-XII.

First one *Parenting* given by Mrs. Annu Singh (Resource person from NIE). She discussed on various aspects of parenting of adolescent girls and “Peer Pressure” faced by them. She expressed the importance of parents being role models for their children. It was followed by interactive session between counselor and the parents.

The second workshop for the day was a Career Guidance Workshop by renowned career counselor Mr. Jitin Chawla. He gave a PowerPoint Presentation on various career options available to the students of all streams after Class XII. Not only the options to study abroad but scholarship programmes available too were discussed. It was an eye opener for both teachers and parents.

The parents were briefed about the rules and regulations of the school by Mrs. Vandana Tandon. Later, the teachers were introduced and gave assurance that the curriculum involves hands on learning which not only give vent to their creative talents but also help in all-round development of the child. The session ended with vote of thanks by Mrs. B. Bajaj.
