

## Adventurous Trip to Chail

9th May 2017 to 13th May, 2017

It was a wonderful experience travelling to Chail with sixty students and four teachers. In fact it was an adventurous trip organized by ED TERA. It was a great learning experience performing those interesting activities like Burma Bridge Crossing, River Rafting, Tracking, Valley crossing and Bon fire etc. The beauty of nature, climate and heavy rain fall made it an ever remembering event. It was a great fun teachers and students eating together in their dining hall, performing activities together, travelling in the air conditioned buses. In the air conditioned buses. In short it was a full too entertainment adventurous trip.
